

Ale's Home Day Care

Handbook

Please read this Handbook thoroughly, as it covers very important policies and procedures that not only govern our childcare contract agreement, but also pertain to the care of your child. There may seem to be a lot of information so if you have any questions regarding my policies, please do not hesitate to ask. We will go over this book during your interview, but this copy is for you to reference back to. There will be a yearly revision to this Handbook and the accompanying contract. All families will sign a new contract each year. I reserve the right to make changes to the policies and procedures, as I deem necessary. You will be notified, in writing, of any changes that may occur.

DEAR PARENTS,

What I as a provider should expect from you, the parent: Open communication. Explain clearly and carefully your wishes and expectations about how your child will be cared for. Also provide updates on problems and progress that your child is making. Good communication helps us work together in the best interest of your child.

Agreement on Terms or Arrangements. You should fully understand the terms of the contract and the policies and procedures that you as the parent are agreeing to.

Honesty and Trust. This includes being honest about how you believe the arrangement is working. Although you need to be vigilant in order to safeguard your child, you should trust me as your childcare provider to do the best for your child. Show your trust by asking questions rather than jumping to conclusions when apparent problems develop.

Pick up on Time. I as your provider have a personal life too. No trip to the grocery store etc. on your way here just because you find it more convenient, ultimately the care of your child is your responsibility. I am here for you while you are at work. If you are not at work your child should be with you. As much as they enjoy being at my house they also enjoy spending extra time with Mom and Dad. If you pick up your child early for any reason such as a doctor's appointment, family gathering, etc. they will be signed out for the remainder of the day. Late pickup policy.- Ale's Home Daycare, Inc. closes promptly at 4:30 pm each evening. All children and parents must exit the building by this time. The entrance's clock will serve as the "official clock" for determining time. Please synchronize your watch with this clock. Parents that have a lengthy departure routine must arrive early enough to meet the time criteria.

Respect. Realize that taking care of children is a job and that not only am I a worker, but also a working parent. Recognize that this is not an easy job. I am not "just a baby-sitter." Last but not least, I am only human; I'm not "superwoman." Please don't expect me to do things that you yourself would not want to do.

Philosophy We believe a child's early experiences enrich and stimulate future growth. Children deserve to be treated and respected as individuals in an environment that welcomes reason, exploration, question, and imagination. We respect each child's need for love, security, acceptance, warmth, and stimulation.

Goals While in my care your child will have the opportunity to participate in a wide variety of activities, which promote all aspects of development. Family childcare provides for children the comfort and experience of belonging to an extended family. My approach to childcare is child centered and child directed. Children are offered choices whenever possible. Your child will bring home a newsletter each month, which will give a brief overview of what we will be doing. Just because you are not seeing anything in the way of papers does not mean that we have not been busy all day.

Ale's Home Day Care

Handbook

The Daycare may close for 12 days of paid vacation per year. Also 7 paid personal days off during the contract year, I may never use them, I may use them all. These days are used for personal use, sick days or time with my family. But be assured that unless it's an emergency I will announce my plans well in advance so you can make other arrangements. If you need care while I am gone it is your responsibility to make alternative child care arrangements. Also in the event I come down with an illness-such as vomiting, high fever or other symptoms that would prevent me from safely caring for the children, and need to close I will make an attempt to find a substitute for these instances; however, in the event I'm unsuccessful in finding a substitute, it will be the parent's responsibility to obtain substitute care, this day will be taken as a sick (personal) day, with no deductions to the weekly rate.

Notification of at least two months will be given prior to any closed days, with the exception of emergencies or illness. Please have a backup childcare provider for these occasions. In the event that I will be away for a period of time less than three hours (Doctor Appointments, errands, etc.) substitute care will be provided.

In cases of your potential absence due to maternity leave, summer, or extended leave from your job, I will require your childcare rate payment for the entire time of your absence to hold your child's position. Once the infant spot becomes available, it needs to be used or paid for.

Payment Procedures:

Fees: The basic charge will be \$ 250.00 per week for full time.

This is a guaranteed rate and includes full pay for holidays, with no credit for absent or sick days. The fee for the care of your child/children for the upcoming week is due on Friday, or last day your child will be in attendance, for the following week that care is provided. Checks could be deposited on the weekend; postdated checks will not be accepted. If, for any reason your child is not in attendance on any given Friday, payment is still expected before 5:00 p.m. **or you need to make the deposit to my account.** My Chase bank account number is 652816633 and the routing number is 071000013. You will be responsible for any incurring charges.

Any payment received after this time will be accessed an additional \$10.00 fee per day, (\$10 after Friday 5:00pm, \$10 Saturday, \$10 Sunday and \$10 Monday, total of \$290) per child to be paid on Monday morning at drop off. When you go on vacation, payment is due before you leave. Do not put me in a position to ask for the check please remember to bring it.

The weekly tuition rate is based on the contracted hours. Any change to these hours may result in a change in the tuition rate. You are required to notify me at least two weeks in advance of any changes in the contracted hours. Overtime fees will be based on the hours listed above, not my business hours.

It is important that arrival and departure times are punctual and brief-so that we can all get settled and proceed with our activities. If you need care beyond the contracted hours you will need to prearrange this with me. I'm under no obligation to provide an extension of time if such extension conflicts with the provider's own plan. Late arrival does not justify late departure.

Each family must pay a \$35 registration fee upon enrollment. This is to defray the costs of advertising, supplies and other expenses for each child.

A Holding fee (deposit) of \$250.00 is required to be paid on the first day of attendance which will be applied to the last week payment or forfeited if the child does not come for care as agreed upon.

I keep a record of your payments and will give you an end of the year statement. If you need a weekly receipt please let me know.

Return check policy: There will be a \$32.00 charge for all non-sufficient funds (nsf) checks returned plus any additional charges incurred to myself and/or by the bank. Parents who have two or more nsf checks will be required to pay by cash or money order.

I will take all outstanding accounts to court for collections. Should it be necessary, the parent/guardian will be responsible for all court costs.

Daily Doings

Drop Off/Pick Up:

I assume responsibility for your child only while he/she is on my property. No child will be allowed to leave with anyone except the parent, unless indicated on the alternate pickup list, without written permission from the parent. Telephone permission will not do! Anyone unfamiliar to me will be required to show proof of Identification. Please make the alternate pick up person aware of the requirements. It is normal for your child to cry on arrival, especially for the first few weeks. Please make your goodbye brief and tell your child exactly when you will be returning. The crying usually stops within seconds of your departure. You are welcome to listen outside the door. Never leave without telling your child goodbye. Please be in control of your child during drop off and pick up times. This is a time of testing when two different authority figures are present (parent and provider) and this situation will be tested at one time or another to see if the rules still apply. I will remind your child if inappropriate behaviors are being displayed. Children of all ages adjust to transitions from one activity to another differently. Most do not like to be too rushed and most do not like to wait too long once they are ready to depart. If the person picking up the child appears to be under the influence of alcohol or drugs, another authorized person will be called to pick-up both the child and the adult. Court Order: If there is a court order keeping one parent or guardian away from the child, I must have a written note from the custodial parent or guardian in my file to that effect. Otherwise, I cannot prevent the non- custodial parent from picking up the child.

Meals and snacks are served family style. Children are encouraged to use this time to share their experiences with each other. Manners are taught, and practiced during this time as well.
